

Fast Track Your Small Business Sales Process

Introducing the Vonage® inside channel sales team: a group dedicated to providing our small business focused partners everything they need to close 1- to 10-seat deals more quickly, onboard customers sooner, and get to revenue faster than ever before.

A Team Committed to Winning You More Business

From opportunity to close, the Vonage inside channel sales team facilitates our small business focused partners' success by:

- Setting aggressive pricing.
- Providing a quote within minutes of a request.
- Specializing in the needs of small business customers.
- Implementing most customers within 14 days.

"The Vonage inside channel sales team is extremely responsive and a great go-to resource when closing deals! They respond quickly to requests for additional information and to customer questions, make us aware of new product offerings, and keep us apprised of upcoming incentives, which gives us a competitive edge."

—Ken Lively, Snap Tech, LLC
